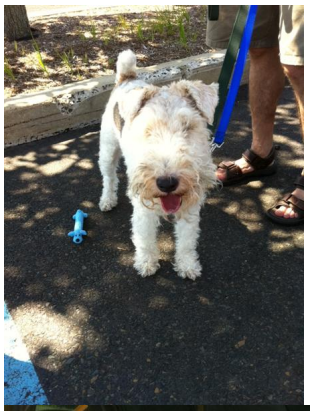
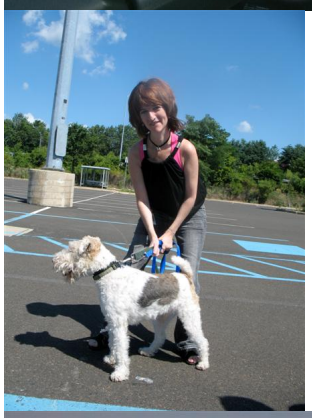
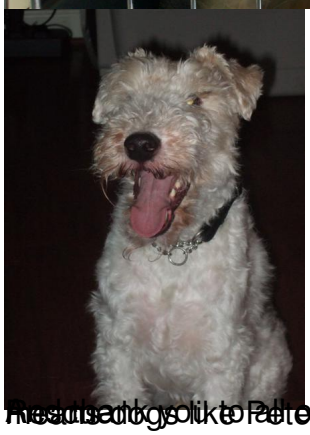
Peter Pan is a handsome 5 ½ year old Wire Fox Terrier who was surrendered to American Fox Terrier Rescue in NYC. Big city life agreed with Peter however American Fox Terrier Rescue volunteer Cammy had no space to foster him. Donna, American Fox Terrier Rescue volunteer in Roanoke, agreed to foster Peter Pan so his journey began! Peter Pan traveled by car from NYC to MD thanks to Cammy, George, Lisa, Dani, Eva and Debi. He stayed in lovely Maryland for a week. Operation Peter Pan continued with Pilots n Paws volunteers, Gary and Marlene, flying this darling boy to Roanoke with assistance from American Fox Terrier Rescue volunteer, Tom, who helped load Peter Pan onto their plane.

Peter Pan is no longer available for adoption - he found his new forever home!







Rescue dogs like Peter Pan get a second chance at life. Thank you all! Your support
