FRANKLIN

Franklin left Missouri and flew to Baltimore MD along with Ava, Hermann, Pretty Boy Floyd, Sissy, and Sugar on December 15, 2010. A sweetheart from the start, Franklin loved being part of his foster home's pack. He progressed quickly in housebreaking and leash manners. Gentle and lovable, Franklin routinely showed squeaky toys who was boss by specializing in squeakerectomies. Final tally was Franklin: 10 Squeaky Toys: 0.

After having lived his whole life in an outside pen or crate, Franklin adapted well to life as a house pet. He snoozed by the fire, hopped on the couch to cuddle, and played well with his foster dogs. Having a fenced yard was a particular delight for him. As he "lapped" the perimeter, he'd run faster and faster until he was just a blur! When he was done with his work out, he'd run to the back door and wait to be let in!

THANK YOU!

Franklin is a great boy, and he loves to play with his toys. He is a very happy dog, and he is always looking for a new toy to play with.
